"We need Washington Policy Center... we need think tanks... to calmly look at things and consider them, and bring forward good ideas because I'll tell you - they aren't going to come out of a government that is left to its own devices, this is a democracy for a reason."

An investment In the future of our state

Thank you for your interest in Washington Policy Center's Pillar Society! As the past, eight-year Chairman of WPC's Board, I am extremely proud to now serve as President of our Pillar Society. As you'll see in this brochure, WPC's Pillar Society is an integral part of our organization, and the support we receive from our valued members is what makes our work and impact possible.

Many Pillar Society members tell us that the biggest benefit to them is the pride and peace of mind that comes from knowing they are supporting WPC and our mission year over year. Together, with the strong support of our 100 Pillar Society members, we are making a difference in our state!

As a CPA, I can promise that we
are good stewards of money
donated to WPC.

I invite you to join with us and become a valued member of our Pillar Society. I have been a member since its inception in 2012 and increased my support with a renewed pledge in 2015. I believe strongly in WPC's mission and I know that supporting this organization through the Pillar Society is the best way to ensure WPC remains a strong voice for years to come.

Thank you, again, for your interest in Washington Policy Center's Pillar Society. I look forward to welcoming you as a member.

Sincerely,

WHAT IS THE PILLAR SOCIETY?

Founded in
2012

100
members

Over **\$4.7**
million raised

Key Projects funded by Pillar Society:

- » WPC's robust Young Professionals Program and college clubs
- » WPC's *Saving Charter Schools Project*
- » Ongoing fight against a state income/capital gains income tax
- » Launch of WPC's newest research arm—The Initiative on Agriculture
- » Defeat of a state-based cap-and-trade system

To support WPC's vital work and new endeavors, to ensure our impact continues to grow, and to better steward our top donors, WPC launched the Pillar Society. Our Pillar Society distinguishes donors who make a substantial pledge which is paid over three years (pledges start at \$5,000 per year).

We would like to sincerely thank our current Pillar Society members and invite you to join with us!

WPC's ultimate goal is that Washington state remains among the best places to raise a family, earn a living and run a business. We work hard for you, providing research and clear policy analysis, advancing our goals of spending

discipline, low taxes and limited government.

By joining our Pillar Society, you are putting your dollars toward a time-tested, professional organization that will fight for your principles long into the future. Be assured that we are working hard to give our policymakers, and voters, the information they need to make fiscally responsible choices.

Along with the distinction of being a WPC Pillar Society member, benefits include premier tables at our conferences and Annual Dinner (reserved before the event sells-out!), varying recognition throughout the year and invitations to private events with key public officials, business leaders and thought leaders.

WPC's Annual Dinner is one of the largest policy gala events in the country, attracting over 2,500 statewide.

Pillar Society memberships include guaranteed access and premier seating to this sold-out event.

WPC INTO THE FUTURE

In 2016, WPC's Board of Directors created a **three-year strategic plan** to guide us to 2020.

The Pillar Society allows WPC to confidently plan for the future and ultimately maximizes our impact and fulfillment of our mission.

» Improve marketing strategies to **COMMUNICATE** with more citizens across our state

» **PARTNER** with new groups to build alliances

» **EXPAND** outreach and service in our state

» Continue to **INVEST** in organizational capacity

» **EDUCATE** the next generation of leaders through our Young Professionals and college programs

To advance WPC's recommendations and key policy solutions to improve lives in Washington state.
