Employment growth is
DOUBLE
in right-to-work states

Employment growth in forced unionization states

1.3%

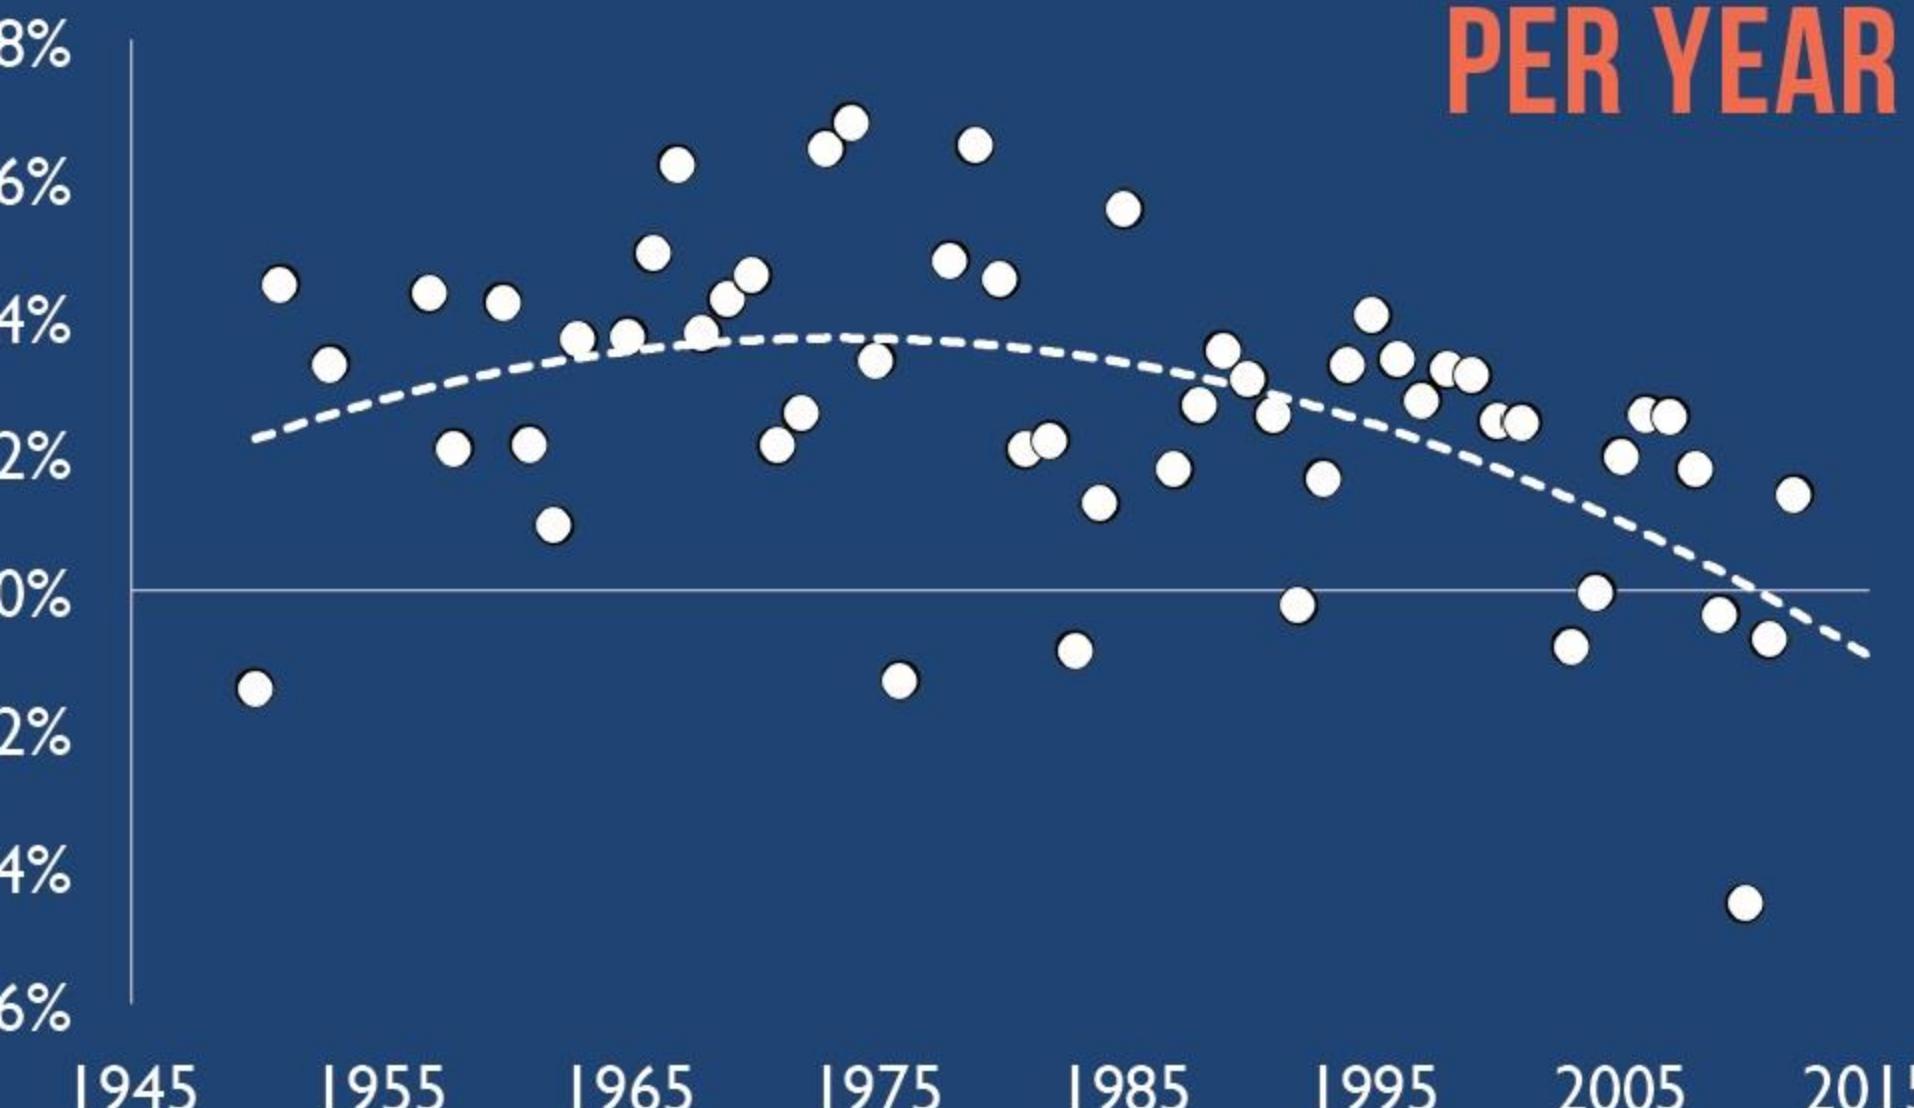

PER YEAR

Employment growth in right-to-work states

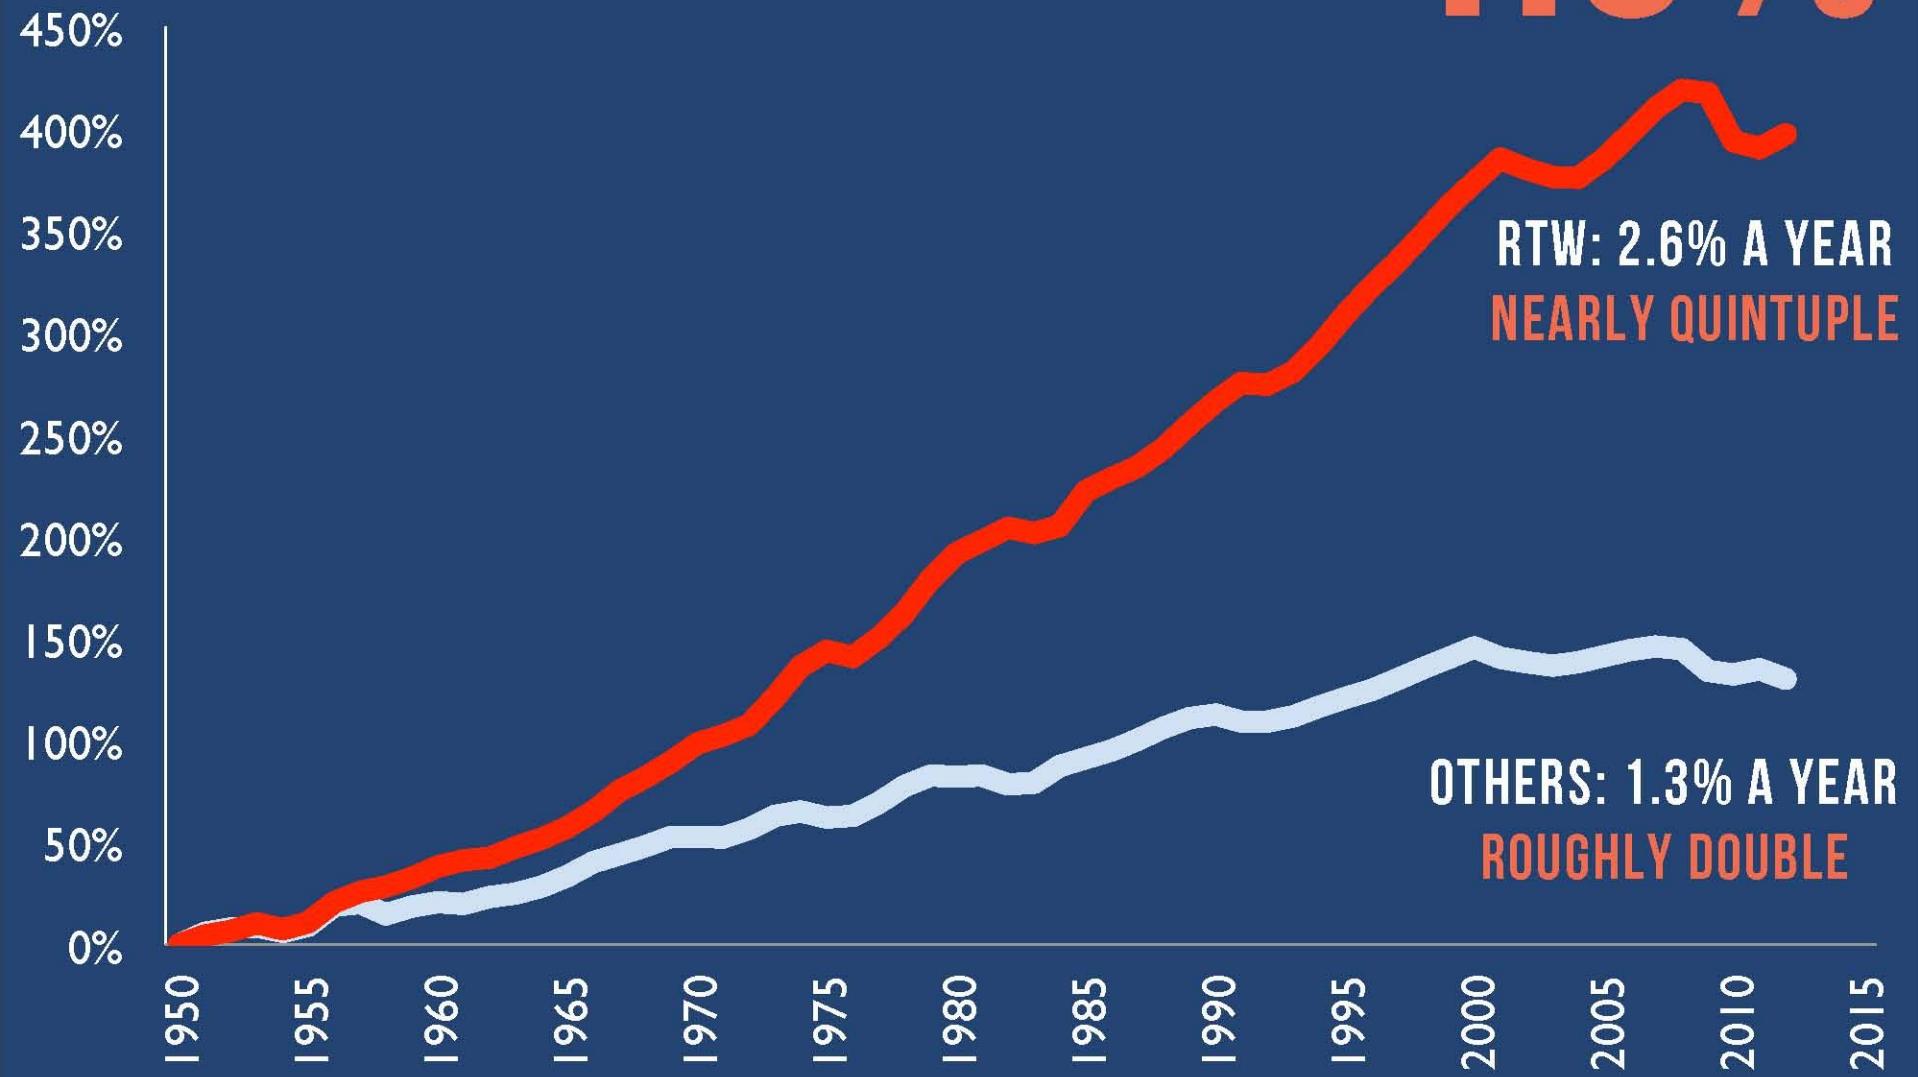

2.6%

PER YEAR

*A single percentage point
is a big deal over time*

THE POWER
1.0%

Right-to-work states tend to be

PRO-BUSINESS

with lower taxes and regulations

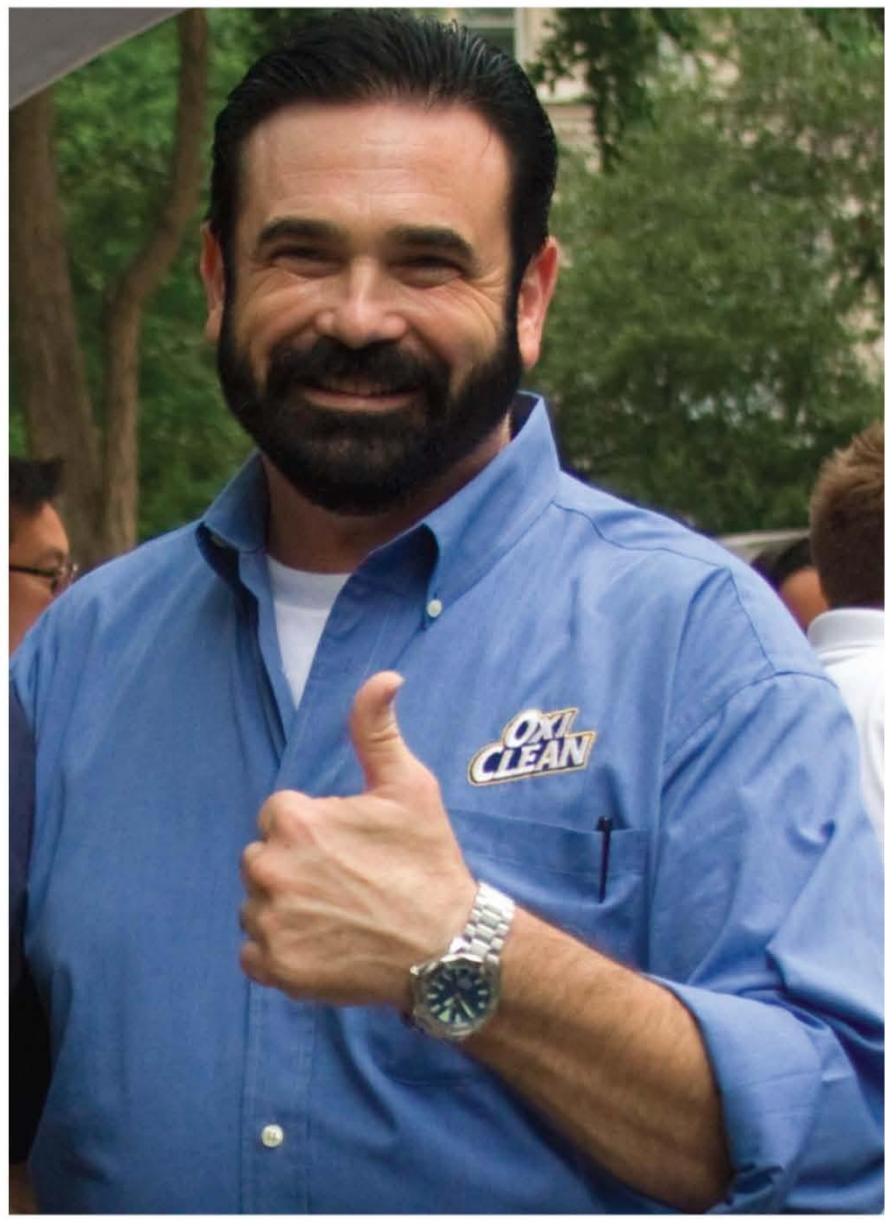

By itself, right-to-work boosts employment

1½ PERCENT A YEAR

And that's a big boost over time

But, wait ...

There's more ...

It's all 100% ...
